SLIDING INTO SEASON 2022-2023

Oct 5th 2022

Eagles News - Vol 01

Dear Members, Families and Friends, welcome to the first edition of the Eagles News for the 2022-2023 summer season.

It was a great weekend for the opener for the Eagles as they took to the fields to open their summer season campaigns. The **Firsts** had a real arm wrestle of game against the reigning premiers Upwey FTG. The opposition had a 1 nil lead for the start, but it was only a matter of time before the Eagles squared up the ledger. The game was tied after the 9th inning and with 2 extra innings being played, Upwey managed to get the hits when it counted to take victory. Overall the standard was quite good and our new recruits certainly shined for us. The **Seconds** had a really tight game as well, with the opposition getting in 2 early runs that were enough for them to take the points in the end. Full credit to the guys, as it young group that played very well against a quality opponent. The **Thirds** and **Fourths** teams both had a testing opening game and will be looking to turn around their fortunes this weekend as they take on Sandringham at home. The **Masters** teams both opened their season campaign with good games. The Masters Blue team were unable to get the runners on base in their game against Essendon and the Masters White team managed a draw for their debut game against Werribee at home, which is a great result for the new kids on the block. Next Monday will see both of our Masters team at home, which will be great night, so feel free to come on down to the Eagles Dome to support both teams.

In the Juniors section, both Gavin and Adam have been working tirelessly digesting the new junior structure that Baseball Victoria is implementing for this summer season and not only does it make it hard to communicate with our members, the other challenge is getting the teams and coaches organised. We thank everyone for their patience and we are hoping to have all of the teams, coaches and games finalised before the weeks end. Rest assured, Gavin and Adam will be relaying all the relevant information as it comes to hand.

A huge thank you to all of our wonderful & loyal sponsors for their kind support.
