SANTA MAKES AN APPEARANCE

Eagles News - Vol 12

Dear members, families and friends, welcome to Vol 12 of the Eagles News for the 2022-2023 summer season.

Well the summer baseball season has come to a break for the senior and junior players, as we enter into the festive season and school holidays for the families, no doubt it will be a well earned break for many! Speaking of Christmas, the juniors had a wonderful day at the Eagles Dome, with Santa dropping in for a game of baseball and to spread the joys of Christmas and giving, well done to all volunteers involved in the preparations.

In regards to the senior teams, the results may not all be heading the Eagles way to date, but none the less, the teams will no doubt be looking to finish off the remainder of the season on a higher note. In saying that, there are still plenty of positives to take out of the season, with some good baseball being played on many levels and some of our younger players showing lots of promise.

The Junior section have also had a trying season, with many teams playing out of their depth due the restructuring of the competition and team entries, but to the credit of them all and to their coaches, the overall feeling is a positive one and one that will translate into success soon enough. Keep up the good work!

On a very sad note, we have a Vale notification for the wife of Adrian Kelly. Please see page 2 of this newsletter for further details and for a link to a Go fund me page if you are in a position to make a donation to the family.

SBC VALE – ELIZABETH KELLY

Dear members, it is with a very heavy heart to inform you of the sudden passing of Elizabeth Kelly, wife of Adrian Kelly and daughter in law of Jim Kelly, both well know and respected club members. It is not easy to put into words how devastating this must be on the young family.

Sunshine Baseball Club and members will be deeply shocked by this tragedy and we offer our sincere condolences to Adrian and the Kelly family and friends in these most difficult times.

Regards SBC

Please also see a post from very close family friend Russell Spear and also his request for supporting the family with a Go fund me page. It would be great if you could help support the family.

Hey Family/Friends,

It's with a broken heart that we have had to set up a go fund me page for one of my best mates and his family. No parent should have to tell their beautiful little kids that "mum won't be coming home, that she's now an Angel".

If you know me, you probably know AJ, mates since we were 6!

Liz, AJ's beautiful wife was diagnosed with cancer only 2 short weeks ago, she passed away with her husband and family by her side. No time to prepare, no chance to fight. It's just not fair!

If you can, please donate to help our mate and his kids out, however you can, every donation incredibly appreciated.

We are hoping to give AJ an opportunity to spend time with his kids and minimize the financial pressure as he works towards finding a new normal.

Thank you everyone. Our love

Women's Victorian Team trials

JESSICA WARWICK

Young Jessica Warwick tried out for the Victorian Women's team last week at Melbourne Ballpark for the catchers/pitchers session and has her sights set on making the team. Jess has been playing for the Eagles for a number of years now in both the summer and winter baseball seasons and just loves the game. This season, she has also stepped up to help the Fourths team and to play along side her dad Mick Warwick, which is always humbling.

We wish Jess all the best for her selection in the Vic squad, but either way, we are certainly proud of her achievements to date.
