Mission Statement

The primary focus of the Sunshine Baseball club is player development all the way through our junior teams, to our senior teams. We believe in developing fundamentally sound baseball players, leading not only to success on the field, but will also prepare each player to compete in a higher level of baseball and beyond if they so desire.

Club Values

Our club places emphasis on a positive environment. Each player is to be taught and expected to exhibit character traits including, but not limited to respect, teamwork, sportsmanship, perseverance, discipline and hard work. Junior players are to be taught the above traits, but just as importantly to enjoy the game of baseball and to have fun.

Objectives

Sunshine Baseball Club wants to prolong its success on the field by playing at the highest level, Division One. The club wishes to support its players and members in their desire to improve their baseball skills. The club wishes to provide the players financial support. The club wishes to provide attractive playing areas, surrounds and clubhouse facilities.

S.B.C. Our Ten Presidents

The fact that Sunshine Baseball Club has had only 10 Presidents over its 82 year history is a true testament to the commitment and passion that each and every one of them had. The longevity of many of these presidencies was also due to the many committee members who worked tirelessly behind the scenes and were the backbone of the club. These traditions and fine club values are still carried on today by the current board and will be passed on to any future committee members and volunteers that come on board to be part of a wonderful club and its history.

Secretary: Mr. Griffin Weir

85TH AGM MINUTES

Member Attendance: Gerry O'Connor; David Richardson; Eric Nichols; Glenn Josen; Robert Blackmore; David Hirst; Victor Rand; Jim Kelly; Matthew Wilkie; Stuart Clayton; Coral Wallis; Kathy Kourouklis; Pamela Warrick; Richard Laney; Adam Bird; Gavin Young; Patricia Young; Marc McKennar; Griffin Weir.

Apologies: Chad Galloway; Stuart Provis; Alan Chin; John Mahoney; Geoff Fischer; Norm Phillips; John Kirby; Philip Beckwith; Barry Blackmore; Ray Haxby.

Vale: Ron Brown; Ron Curnow; Tolly Browne; Mathew Fenner; Lindsey Web.

The minutes of the 2021-2022 annual general meeting were circulated. Vic Rand moved that they be approved. The motion was seconded by Gerry O'Connor. The motion carried.

Reports of Officers (Robert Browne, President) indicated that all reports had been circulated and officers would highlight main points and themes

Presidents Report - Robert Browne

Robert thanked the committee, coaches, players, and spectators and stated the importance of reestablishing out of Covid. He expressed that 2023 would be another challenging year but with greater access to the ground due to the relaxing of council restrictions. He acknowledged it was a great year for junior numbers and credited Gavin Fischer for his work.

Vice President Report (Financial) - Graham May

Graham referred to his written report and stated his uncertainty at the start of the season due to Covid delays. He expressed there was a big effort in securing grants. With \$92k total, it was the club's biggest year. The committee decided to assist members once again by waiving club fees. Balance sheets were updated by removing inherited assets causing a \$31k book loss, however this was not depicted in the actual bank balances. He mentioned that an up-to-date asset register had been established in Xero and bank accounts were sitting at approximately \$80k. He gave thanks to Vicki, Rob, and Michelle Haxby (auditor).

Secretary Report - Michael Ashburn

Mike was dialed in via a phone call, he tabled his report and expressed appreciation for all the help from the club.

Registrar - Marion Baartmans

Marion tabled her report and mentioned there was not a lot to report due to membership fees being waived.

Director Of Baseball - Luke Searle

Luke was absent and his report was read by Graham May. Graham mention that Luke had decided to step down from the role.

Social Coordinator / Covid Safe Coordinator - Joanne Formosa

Jo tabled her report.

Facilities And Grounds - Chad Galloway

Chad was an apology for the night, his report was tabled and read by Graham May. Gavin Fischer provided an update on some facility projects, he mentioned he was working with the council on the installation of new hitting tunnels and that these had been moved to the third base line, had a budget of \$150k and a sub committee was being established. The concept of the hitting tunnels is that they could be used 365 days a year and initial plans were provided.

~ Continued over the page ~

Sponsorship, Marketing, Grants - Glenn Letts

Glenn provided thanks to all sponsors, stating that they play an important part for the club. He mentioned that a new silver sponsor (Brown Dog Design & Print) had been acquired, and that he was still seeking new sponsors. He provided an update on Village Roadshow in which he stated that Village Roadshow Limited had been sold and ended its sponsorship in June 2022. He mentioned, however, that the Kirby family had committed ongoing financial support of the club and had increased their contribution considerably. He updated numbers on membership programs, which had been affected during Covid, and stated that a pitching machine had been purchased via a volunteer's grant. Finally, he expressed that the winter baseball program had been strengthening with 4 teams and tee ball for 2022, mentioning that we were the biggest winter junior club in the city/west region.

Junior Coordinator - Gavin Fischer

Gavin referred to the reports from the junior caches and thanked all involved. He gave a summary of each team's performance and thanked all scorers and volunteers that had helped throughout the season. He also thanked Chad for ground marking, Sandy for running the canteen and all umpires.

It was moved by Eric Nichols and seconded by Robert Blackmore that all reports be received. The motion carried.

Election of Office Bearers for the 2022-2023 Season.

David Richardson assumed the chair and thanked Rob for his great work throughout the year. David declared all positions vacant and called for nomination for President. Robert Browne was nominated by Robert Blackmore; this was seconded by Graham May. As this was the only nomination, Robert Brown was elected as President.

Robert Browne assumed the chair again and called for nominations for Vice President (Strategic Planning). Leigh Davis was nominated by Stuart Clayton and seconded by Richard Laney. As this was the only nomination, Leigh Davis was elected Vice President (Strategic Planning).

Robert Browne called for nominations for Vice President (Financial). Graham May was nominated by Richard Laney and seconded by David Hirst. As this was the only nomination, Graham May was elected Vice President (Financial).

Robert Browne called for nominations for Treasurer. Vicki Dornom was nominated by Eric Nichols and seconded by Richard Laney. As this was the only nomination, Vicki Dornom was elected Treasurer.

Robert Browne called for nominations for Secretary. Griffin Weir was nominated by Marc McKennar and seconded by David Hirst. As this was the only nomination, Griffin Weir was elected Secretary.

Robert Browne called for nominations for Registrar. Marion Baartmans was nominated by Robert Blackmore and seconded by Vic Rand. As this was the only nomination, Marion Baartmans was elected Registrar.

Robert Browne called for nominations for Director of Baseball. No one was willing and nominated. This position was left vacant, to be temporarily filled by Leigh Davis.

Robert Browne called for nominations for Social Coordinator. Joanne Formosa was nominated by Griffin Weir and seconded by Jim Kelly. As this was the only nomination, Joanne Formosa was elected Social Coordinator.

PRESIDENT'S REPORT

“A Tough Year”

Our Division 1 team were confronted with a tough year from day one. A team with so much potential, but when players are earmarked for bigger and better things in baseball, a side suffers if it doesn't have strength in numbers.

The Senior Division 1 boys played an outstanding year under new coach and player Cameron Deebie, considering the loss of a number of critical players to the national league during the year.

Young, developing players stood their ground and gave everything they had to keep Sunshine in contention from game to game when our senior players were not available. These are Sunshine's future champions in the making – they just need game time, and last year was a great introduction for them to this game at such a high level. Their ability to step up and contribute to the games requirements at such a young age was amazing, and their performance on field shows some promising signs for Sunshine into the future.

Well done Cameron for your ability to keep these boys together through yet another tough year.

With a young team, our 2nds played hard all year. Their wins were celebrated, however their player feed to our Senior Division 1 team was critical and well structured. With the development of the junior contingency for Division 1, player consistency and a standard team line-up were challenges that were confronted throughout the year. Coach Andrew Leahy kept his side together and his boys finished the year with some incredible wins and provided fantastic support to our Division 1 team. Well done Andrew and boys.

The 3rds side has always been a difficult side to fill throughout the year, not a simple task for a coach to take on. A big congratulations and “Thank You” to Daniel Letts for accepting the role and coaching these fella's. Each and every one of them learnt something new relating to Baseball during the season. Well done boys and especially Daniel for keeping them together for the season. A number of these boys backed up playing two games each week end in order to fill teams for both the 3rds and 4ths.

Well done to Glenn Joson and his 4th Team on finishing the year in great spirit this season. A team with a passion to get out there and enjoy the game. Well done boys.

Our Masters team, once again did exceptionally well this year, taking out the Premiership flag yet again. Their efforts and love for the game was a testimony of their successes over the last 6-7 years. Thanks to Chad Galloway, for coaching the Masters this year. Hats off to all players for approaching the game in the manner that is true to Sunshine Baseball Club.

We were fortunate to have a second Masters team (White) in 2022-23, who were a team of “Go Getters”. They were made up of fathers, junior coaches, and anyone at the club who just wanted to have a go. And have a go they did. Winning wasn't on their radar, rather having a fun time, a laugh and enjoying a fantastic feed after their games, which was made by the players themselves. Well done guys. Great to see the smiles and hear the laughter each game.

~ Continued over the page ~

Gavin Fischer continued managing our Junior contingency this season and had all teams organised well before the season began. His passion for driving success out of these young boys and girls by having fun, is a testimony that our club isn't just in good hands, but in great hands when it comes to our juniors. Well done Gavin.

A huge thanks to all junior coaches this year. A difficult roll to take on, and without you all, the clubs future comes to a standstill. An enormous effort on coaches ensuring player skill sets improved during the year, and the "FUN" element remained a critical component in the game. These kids are the success of Sunshine and I'm so proud to have such talent on board. Keep up the hard work boys and girls. Your efforts will always be rewarded.

Joanne Formosa, congratulations on organising and running a successful functions program during the year as well as tirelessly managing the bar. Once again, our Past Players Day was a huge success. It was great to see past players and members who put Sunshine Baseball Club on the map attending. Others who don't escape recognition with their assistance in making our functions so memorable are Glenn Letts, Gavin Fischer, Leigh Davis, Chad Galloway, Stuart Clayton, and many others. A special thank you to all those who helped set up prior to and take down after functions. Without your assistance and involvement, we as a club would not be in the position we are currently.

Chad Galloway had a tight grasp on the Rooms and Grounds position this year. Chad worked closely with council and has undertaken a number of negotiations during the year. Thanks heaps Chad.

A huge THANK YOU to the following for their continuous and amazing efforts this season :

1. Glenn Letts with all his fantastic slides shows, and of course his famous newsletters, not to mention the fantastic work on other presentations prepared for negotiations during the year.
2. Jimmy Kelly, Vic Rand and many others for assisting behind the Bar, ensuring our players and members were well looked after. Also, for looking after all our internal and external functions requirements behind the bar.
3. Photographers Lee Dare, Sally Hand, Janine McKenner Boyton, Danielle Harris and all those mums and dads – providing Glenn Letts with the ammunition to put together the famous and amazing slide shows, newsletters and flyers. All our photographers spent exhausting hours each week end snapping away so we all can hold tight to our precious memories.
4. Canteen success this year was due to Sandra Rand & team, Chris Fischer, Sherie Mitchell, Joanne Formosa, Lee Dare, Kathy Kourouklis, and many others. The efforts and stamina of these ladies is a testament of where they see this club heading. A Big-Big Thank You To All Who Assisted.
5. Leigh Davis for taking over from Luke Searle and managing the Director of Baseball role at short notice, for the remainder of the 2022-23 season.
6. Griffin Weir needs a huge thank you for linking into Baseball Victoria, running our Committee Meetings and all the other administrative requirements throughout the 2022-23 season. Griffin joined my team and immediately brought an alternative way of looking at things and driving tasks in a totally different manner. Certainly a breath of fresh air.
7. Graham May and Vicki Dorman for keeping an extremely close eye on our financials and preparing appropriate reports throughout the season. Also, Graham for his expert financial advice and input on matters which assisted the club move in the right direction.
8. Chad Galloway for ensuring the rooms and grounds were kept clean and maintenance was up to standard.
9. Pamela joined the team in 2022-23 and immediately had an influence, not only with managing and taking on the uni-forms and equipment purchases, but also expressing and sharing her management thoughts and skills with the team.
10. Rowan Harman & Associates for auditing our books and ensuring we abide to financial requirements – Thank You.

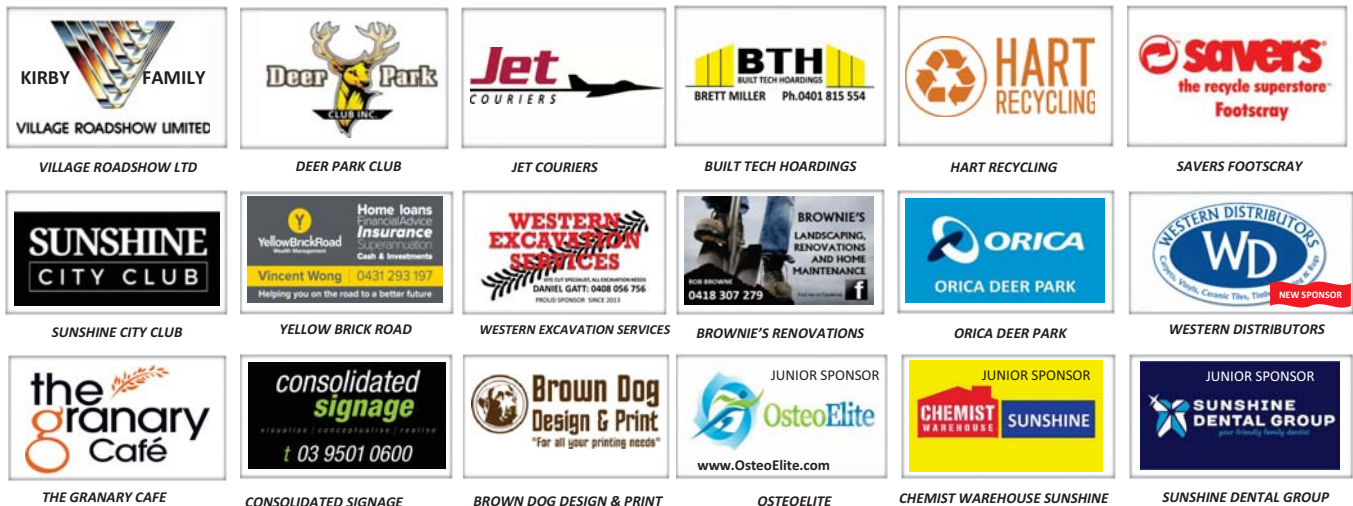

President: Mr. Robert Browne

As you can see, volunteer numbers were exceptional, and I would like to personally thank each and every one of you for your huge contribution towards the success of Sunshine Baseball Club. Let's keep driving forward and grow, so Sunshine Baseball Club can continue its success next year and in years to come.

I would like to show my appreciation to our sponsors for having faith in this clubs ability and providing us with the tools to succeed. Without you ALL, we would not be able to do the things that have moved us forward as a club. Congratulations Glenn Letts on working tirelessly with these sponsors, communicating with them and getting them on board and keeping them.

Sponsors Include

Congratulations to all our 2022-23 Senior & Junior award winners.

Thank you Glenn Letts for putting together this 86th Annual General Meeting Report. Yet another exceptional document.

Your Sincerely
Rob Browne
President, Sunshine Baseball Club

VICE PRESIDENT - MR. LEIGH DAVIS

After serving in the role of Vice President for the past 5 seasons Leigh Davis has decided to step down from this position. We acknowledge and thank Leroy for his contributions to the committee over the years in this role and for other various positions that he has volunteered his time for.

Secretary: Mr. Griffin Weir

SECRETARY'S REPORT

Firstly, I would like to thank Mike Ashburn for his invaluable assistance and guidance during my transition into the role of secretary. When I introduced myself as the new secretary to Baseball Victoria and other clubs, I received numerous expressions of sadness upon hearing that Mike had left, a testament to the legacy he had built.

My time as secretary began quickly, with several player movements and game day change requests.

Unfortunately, we were unable to field a women's senior team this season, so I helped facilitate temporary new homes for some of our players. I also played a role in securing new faces such as Darryl George and Sam Thompson, both of whom made significant contributions to the senior firsts side. I would like to extend my sincere gratitude to Marion Baartmans, whose assistance in registering new players, sometimes even during warm-ups, was greatly appreciated.

This season also marked the appointment of Cameron Deeble as our new club head coach. Working with and playing for Cam was a pleasure. Despite being a difficult season on field, particularly for the firsts, Cam's dedication to the role was unwavering. He consistently conducted trainings and managed games, even when dealing with substantial injuries. Thank you to all the coaches and volunteers who generously devoted their time to the improvement of our players.

The Edward King Cup was fiercely contested, with votes spread across 14 different players, reflecting the tremendous team effort put forth this season. Congratulations to Justin Revels, the deserving winner, and to Jordan Young, who finished as the close runner-up. Thank you to everyone who participated in the voting process throughout the season.

A special congratulations goes to the Masters Blue side for their impressive victory in the Grand Final, securing their sixth title in the past seven years. I would also like to acknowledge all the players who were selected for representative sides; your accomplishments bring great pride to our club

Assuming the role of secretary has given me a profound appreciation for the dedicated volunteers who selflessly contribute their time and effort to our club. The club's success and functioning simply wouldn't be possible without the numerous individuals who have coached, scored, umpired, assisted at trainings, worked in the bar or canteen, performed groundwork, improved club facilities, and contributed in countless other ways.

Finally, thank you to my fellow committee members for their warm welcome and guidance during my initiation into this role. I am confident that the club is in capable hands and poised for positive growth.

With substantial changes proposed for the upcoming 2023/24 season I'm sure there will be plenty of work ahead, but I'm excited and eager to get going.

Go Eagles!

Registrar: Ms. Marion Baartmans

REGISTRAR'S REPORT

Registrations - Marion Baartmans - season 2022-23

As the pandemic began to fade from our memories and life started to get back a little to where we were before it, SBC introduced the normal fees again for all players. Club components were set by the committee and formed one payment together with BV and BA fees in the registration portal. This season there were some updates to the system and most procedures ran smoothly.

Internal communication was once again set up through a shared One-Drive file which was able to be accessed by the Junior Co-Ordinator, the Secretary, the Treasurer and myself. It was a good way of working and separate from the SportsTG system, which is not always clear with reports. Our shared Excel spreadsheet gave us the information we needed and was regularly updated by Graham with finances and by me with new registrations. The SportsTG system was still relied on when we needed more detailed information. We carried on with this system through the winter season, but we collected the club component separately; this meant two payments/transactions for each player, and sometimes this was forgotten. However, after a quick follow-up, every player completed the process.

During the winter season I heard that SportsTG will have some important upgrading in the near future, and I am looking forward to working with a more effective system.

My thanks go out to Robert Browne, Glenn Letts, Vicki Dornom, Gavin Fisher, Graham May, Griffin Weir and all the coaches who I regularly emailed or spoke to, for all your support again this season. Another big thank you goes to all players and parents for their co-operation and for registering on time.

Marion Baartmans – Registrar

Social Coordinator : Ms. Joanne Formosa

SOCIAL COORDINATOR REPORT

Conditions around Functions and Events at Sunshine Baseball Club were back to normal during the 2022-2023 season. The absence of restrictions was a welcome change when organising the functions, but we are still looking to bring back the usual numbers seen at these events pre-COVID.

Additional to our annual \$1000 drawer, Past Players Day, Senior's Presentation Night and Volunteer's Night, we held a music trivia night. This event proved to be a fun and hilarious display of vocal inabilities but impressive knowledge of music trivia. Teamwork was on proud display, but the performance of the night had to go to Joshua Byrne and Hayden Galloway.

The SBC Committee would like to thank its members and their families for their ongoing and invaluable support shown during the past season. As always, we cannot function without your support and it is greatly appreciated.

As this was my last year at Sunshine Baseball Club, I would personally like to extend my thanks to the committee, the Club, it's members and families for their support and encouragement during my time here. My role on the committee as a Function coordinator and Bar manager has provided me with years of memories and an invaluable amount of experience which I am sure, will positively impact my life as I pursue my dreams and advance my career.

Grounds and Facilities: Chad Galloway

GROUNDS & FACILITIES REPORT

During the 2022/3 year, Sunshine Baseball Club continued to have works carried out. The most recent works undertaken around the club, was the building of a new score box for the scorers. The new indoor training facility is the next big project to get underway for Sunshine Baseball Club and works have already started in preparation.

I would like to thank everyone who helped out at the working bees during the year and for all of the cleaning that was done for the club rooms. It is the tireless work of our volunteers that help to improve our facilities for our members and visitors alike and to have the best baseball club in Victoria.

Regards Chad

SPONSORSHIP REPORT

I need to start of my report by saying that having the portfolio of sponsorship for Sunshine Baseball Club is a role that I have enjoyed for the last 7 years and is a role that I look forward to continuing on with if elected again this season.

I am fortunate to be in a position where I can not only sustain, foster and to grow the sponsorship base for the club, but to build a relationship with each and every one of them.

We currently have 18 sponsors on board, which for a club, that in the scheme of things is only a minor sport, is just outstanding. Not only do we have such a good band of sponsors supporting us each season, there are many that have done so for many years and we cannot thank them enough for their loyalty over the years.

Our newest sponsor, is Western Distributors, who helped us cover the cost of a new tablet for our accounting system and it is with thanks to Pamela Warwick for organising this partnership.

A huge thank you to all of our sponsors from the major level, right down the junior sponsors, the support that we receive from all of you is very much appreciated and we look forward to continuing on with our partnerships for years to follow.

Grants: Glenn Letts

GRANTS REPORT

After the success of recent seasons with the grants, mainly due to clubs rebuilding from the Covid period, last season was a bit of an arm wrestle trying to secure grants. It wasn't through lack of trying, but with all grants, there is only a limited amount of funding available and we were unfortunate not to be able to secure any for the last season.

There are still a couple of grants pending, a volunteers grant from the local government to purchase equipment and a historical grant, to help cover off on some costs associated with our 85th anniversary celebration this coming season.

Other grants that we applied for were, for an electronic scoreboard (once again) and another community fund to help improve the facilities and general improvements around the club.

I have been looking after the grants for Sunshine Baseball Club for the past 5 years and due to my other commitments at the club, as well as time outside of baseball, I will be stepping down from the grants role this season.

I would like to thank the committee for all of their assistance that they gave me with this portfolio over the years, especially Gavin Fischer and Graham May.

The grants portfolio is an important role for the club, so I hope that this position will be filled at the AGM.

MARKETING REPORT

Marketing: Glenn Letts

The marketing side of things for the club, is still a role that I enjoy very much. I think that it is so important to have regular communication with our members on all platforms, and as they say "communication is king".

We have kept up with weekly newsletters over the summer season and monthly newsletters in the winter season. The newsletters feature all of the news around the Eagles Dome, as well as baseball updates, member program news, results and games info, photo galleries etc and are sent out by email to over 380 members, as well as being posted on Facebook for our 1,000+ member base.

Other ways of marketing our club is through publications, such as our AGM booklet, the Players/*Members handbook, the Past Player Day souvenir booklet, social event posters and also historical booklets that are on display in our rooms.

Last season we also launched a new website, as the old one had issues and was not able to be updated any longer. The new website is very functional and easy to navigate, so if you haven't had a browse as yet, feel free to do so. There is a video link on our website as well, where only recently, we linked all of our end of season slide shows for you to view and enjoy.

EAGLES SUPPORTER CLUBS

The support that we received last season for our Eagles Supporter Club program was once again above expectations. We had a total of 67 members, 39 for the 100 Club, 19 for the 200 Club and 9 for the 500 Club. The member draws were held on the last Thursday of each month, from October through to March, when members could win Eagles money that could be spent on food and drinks at the club, or Village Movie tickets, compliments of Village Roadshow and the Kirby family. In the latter part of the season, we held a special day for the 500 club members, it was very well attended and a fitting celebration for their outstanding contribution to the club.

We look forward to the continued success of this most vital program, as all funds raised help go towards covering the

FIRSTS TEAM REPORT

Club Coach: Firsts Team Division 1: Mr. Cameron Deeble

The Sunshine Division1 Firsts has completed another season with a final record of 7 wins and 13 losses. While the results may not have lived up to our expectations or matched previous years' achievements, it is important to acknowledge the circumstances that affected our season. The loss of some key players from last year and the unfortunate injuries sustained by key players this season had an impact on our team's ability to secure a more favourable outcome.

However, amidst these challenges, the season presented a valuable opportunity for the growth and development of our young players. With a focus on playing our youth, we witnessed their remarkable ability to step up and contribute to the team's efforts. Their enthusiasm and determination were truly commendable, and their performances on the field provided promising signs for the future of the Sunshine Baseball Club.

There was still plenty of bright moments throughout this season, including some great wins against teams that finished in the finals.

I would like to extend my sincere gratitude to my scorers and assistant coaches.

Thanks Gav, Chooka, and Dad, for their support and dedication throughout the season. Their contributions behind the scenes were invaluable and played a vital role in the team's progress.

Once again, I express my appreciation to all the players, coaching staff, and supporters who contributed to the season's efforts. There are some bright and positive signs for the future of the Sunshine Baseball Club.

DIRECTOR OF BASEBALL

The position of Director of Baseball was not filled last season, but we were fortunate to have Leigh Davis step into this role short term to help with the pre-season duties. Leigh assisted with player recruitment, as well as other duties in the lead up to the start of the 2022-2023 summer season and we are very thankful for his support.

EAGLES ABL REPS

Coach: Seconds Team Division 1: Mr. Andrew Leahy

SECONDS TEAM REPORT

I would like to thank everyone involved for the opportunity to coach the seconds team this season. I thoroughly enjoyed the challenge of working with experienced players from last season, but also adding some young players into the mix. Thank you to our coaching staff being flexible enough to juggle players around when needed at times during the season. I appreciate the efforts of each Eagles player that played for the team this season.

Our team got off to a positive pre season with young and old getting to know and work with each other to enable a confident playing group attacking our upcoming games. We encountered some losses early, however, we did show potential. We then had three wash outs, which I believe interrupted our growth together. We were competitive throughout the entire season as our losses were only by 2 or 3 runs. Our first win was the most satisfying as we played at home and worked as a team to come from behind, manufacture our run to walk it off.

I put it to the team early on to set a goal of winning more games than last season. We achieved our goal before the Christmas break. We then set ourselves another, possibly achievable, goal of making it to finals, falling short in the end.

I believe that we are on the precipice of success and can enjoy winning together in the future, I encourage everyone to stay in shape and look forward to next season.

SECONDS TEAM DIVISION 1

Coach: Thirds Team Division 1: Mr. Daniel Letts

THIRDS TEAM REPORT

Extremely proud of the thirds for how we played in the backend of the season after Christmas. Throughout the year we didn't have many wins on the board and couldn't put a full winning game of baseball together. Our last few games were extremely competitive, which as a coach is very satisfying that the players were giving 100% at the tail end of the season. A couple very close losses against top teams and a mercy rule victory in our last game were a fantastic way to end the year.

There were various individual improvements throughout the season with hitting, pitching, and making the correct team play on the field. In the earlier part of the season we didn't have regular pitchers, with several players needing to chip in. We improved greatly during the second half of the season, with 2-3 pitchers carrying the load for a more consistent team approach.

Looking forward to seeing the players continue to progress and aim to progress through the ranks of Sunshine Baseball Club. We had a consistent showing of players each week who stuck through even during the rough patches. We never let a bad day on the field get in the way of enjoying being out on a weekend playing baseball.

As always coaching a baseball team isn't a singular effort, I would like to acknowledge the on field support week in week out. The 4ths coach Glenn Joson stayed back each week as an assistant coach, who also stepped in to help out on the field when we were low on numbers. I would also like to thank all the 4ths players on doubling up playing 2 games when we didn't have enough to fill a team. This truly reflects the culture we have at the baseball club and always lending a hand.

Finally, to all the scorers and umpires, this is a massive relief when volunteers are putting their hand up. It's not an easy job, and the support I received club wide was amazing. Thank you for your continued support.

In summary, very happy with the way the thirds finished of the 2022/23 season. I hope the group sticks together and keeps improving. Regardless of the limited number of wins this season, I envisage we aren't far away from having a winning season.

THIRDS TEAM DIVISION 1

Coach: Fourths Division 1: Mr. Glenn Joson

FOURTHS TEAM REPORT

A "Challenging", yet "Rewarding" Fourths' season where it was a year of development for the team. With a season of injuries, churn, illness, washouts, players doubling up, etc, we only managed a Draw.

We welcomed 4x new seniors (Michael De Gabriele, Loi Dai Quach, Michael Warwick and Spencer Arno) and 2x junior players (Jessica Warwick and Jesse Hando) to SBC Senior Baseball. The Fourths (and Thirds) is a great pathway for the Newbies to the game of baseball, but most especially to the upcoming Juniors. We look forward to seeing their further development next season.

To the returning players this season (Graham May, Brenton May, Mark Adams, Hayden Galloway, Anthony Melendez-Silva, Will Boyton, Nathan Czubka, John Campbell and Huan-Huei Hsin), it's always a pleasure to play alongside you. It's been a struggle to get consistency and numbers on the mound, however Anthony persisted and is improving on each visit. Hayden Galloway has also taken on the challenge to share the load. John and Loi also got going on the mound, whilst Graham is always there to dig us out of a hole.

Brenton May, had another stellar season with the bat! With an elite Batting Average of .615 (yes, it reads .615!), an outstanding On-base Percentage of .724 and a phenomenal Slugging Percentage of .923, Brenton's Hitting Award streak continues and is now on, 4x seasons in a row!

To Daniel Letts and the Thirds, many thanks for your support and assistance throughout the season. A special shout out to Daniel for continuing on with the Thirds coaching role and being an example/leader to the players. I'm grateful for all the assistance and support Daniel has given me, throughout the year.

I can't forget our additional-off-the-field team member, Jasmine Adams (also thanks to Kayla Adams for filling in, on an occasion). Really appreciate all the assistance, stats and patience you've provided throughout the season.

Thanks to those that have taken the time to umpire the Fourths game (Glenn Letts, Jim Kelly, Leigh Davis and Rob Browne). Also a special mention to Stuart Provis and Adam Hando for helping out as base coaches.

I can't speak highly enough of all those involved with the Fourths Team, from the relentless supporters in the Members' Stand, to the Bar/Canteen. Your support is greatly appreciated.

As always, it's been a Pleasure and a Privilege to have coached and played in the Fourths Team.

MASTERS BLUE TEAM REPORT

It was an outstanding summer season for our Masters Blue team in 2022-2023. They were solid throughout the season sitting in prime position in the top 4. Our lads put on a great show of strength and resilience to defeat Essendon on their own turf in the grand final to bring the Premiership Pennant to Sunshine. The game was very tight with the score being within a run for the most part of the game, before the Eagles (batting from 2 down with bases loaded in the top of the 4th) struck the bat well and drove home 5 runs for a handy lead of 8-2. Essendon fought back and got within a couple of runs, before some timely outs, double plays and some vintage defence by the guys shut them down in the last. It was a fitting end to the for the guys, as they battled it out throughout the season, not always with a full list, but always kept themselves in the game and truly earned the right for the play-off. Well done !

MASTERS WHITE TEAM REPORT

The Masters White team had a very successful year.

The purpose of the team was for all junior team coaches/helpers to come together and play baseball every Monday night as one team.

The main reason was to build close relationships between all coaches and helpers at every junior level. Monday nights was a good chance to catch up and discuss best practices and the junior games over the past weekend whilst also sharing some good food and drinks with each other and other opposition teams.

Game wise we had a team of 13 plus players at any game with three players from division four. Most players had not played in over ten years or more. We managed to achieve two draws and had several close games which could of gone either way.

We currently have 16 to 18 players keen to play in the Masters White team next season. Many of the players have stepped up and volunteered to umpire games during the current winter season and have helped for training.

JUNIOR COORDINATOR'S REPORT

Summary of the year

Season 2022/2023 was one of significant structural change at Baseball Victoria level, and one of significant training and playing disruption too.

Baseball Victoria introduced a revised age structure that has returned to Under Age Group identifiers over North American Little League naming conventions. Not a major issue however there was also some rule changes to also work through and get bedded in.

Along with the structural changes, the weather (wet) disruptions during the first 70 percent of the season caused issues with training, game and ground availability. Quite a number of games were cancelled this year across the competition which ultimately disrupted the flow of the season in games played.

Even though there was playing impact the reports from our coaching cohort over the course of the season affirmed that our young Eagles made the most of every game they played in.

Sunshine Baseball Club fielded

- 2 x U12 Metro Friday night teams,
- 1 x U12 West State team,
- 1 x U14 West Metro team,
- 1 x U14 West State team,
- 1 x U18 Metro team,
- 1 x U18 State team

This totaled around 75 junior players for the season, amongst whom were several players having their first go at baseball across all age groups which was fantastic to see.

Sunshine Baseball Club did not have any junior teams paly in finals this season.

For clarification, several our players were playing their first season at the next age group level, up an age group level, or actually playing baseball for the first time. Whilst the result, in finals played as a metric was not there, our junior Eagles competed in all games and have gained some very good experience fo the coming seasons.

I would also to like recognise Adam Bird and Gail Featonby for coming on board in our junior structure. Adam is our Junior Secretary and Gail is our Junior Development Officer. Their contribution and thoughts on continued development for our junior program will be valuable over the coming seasons.

Sunshine Baseball Club continues to enjoy support from many parents and other volunteers with coaching, scoring, and ground preparations activities.

This contribution is always welcome and greatly appreciated by the Club.

Come and Try days

The Club ran three Come and Try days for Season 2022/2023 with good participation and a number of new juniors joining The Club for our summer season. Thanks to the many volunteers who assisted for each session, this always helps make things run smoothly.

Junior Skills Sessions

Unfortunately, due to very poor weather over the course of the season we were not able to run any Junior Skills Clinics this season. Just as we thought a date could be locked down the weather struck and other demands overtook the clinics. We will be planning for sessions as part of Season 2023/2024.

SKILLS SESSIONS

Melbourne Aces Junior Membership

Sunshine Baseball Club again took up Melbourne Aces membership for Season 22/23 with upwards of 75 junior members having a membership as part of playing for Sunshine Baseball Club. Our U14 West Metro team played a curtain raiser for a Melbourne Aces game with players being part of pre-games activities on the main diamond with the Aces.

This remains an important part of the direction of the Sunshine Baseball Club junior program and one that we will continue to support into the future. Of note, three other Baseball Victoria clubs have now also incorporated Melbourne Aces membership into their junior program. This is a fantastic message for the Melbourne Aces and its future.

Junior Umpires

My thanks to all those who umpired junior games this season, even with the disruption of weather and venues making last minute adjustments a necessity.

I am disappointed that we had a few no shows on game days this season and in some cases no communication of not being able to make games. This is unusual for Sunshine Baseball Club and a situation we will need to work on for Season 2023/2024.

Rooms and Grounds

Thanks to Chad Galloway and the Rooms and Grounds Committee for making sure our grounds were ready for game days. This was a particularly challenging season with the wet weather over the first few months of the season causing washouts and unplayable grounds in many cases. Regardless, when we had an opportunity to play the grounds were good to go.

JUNIOR COORDINATOR'S REPORT

Fundraising and Social

The Junior Christmas Party and Barefoot Bowls were the primary events this season on the social calendar. As per other items in this report the weather caused most focus to be on games played for the season.

Photos

Sally Hand, Lee Dare, Andrea McKenner and Danielle Harris took some ripper photos of our young Eagles this season. Along with Sally, Lee, Andrea and Danielle many parents and carers contribute photos too.

This is a wonderful record of events that tells our story on many levels and is highly valued by The Club.

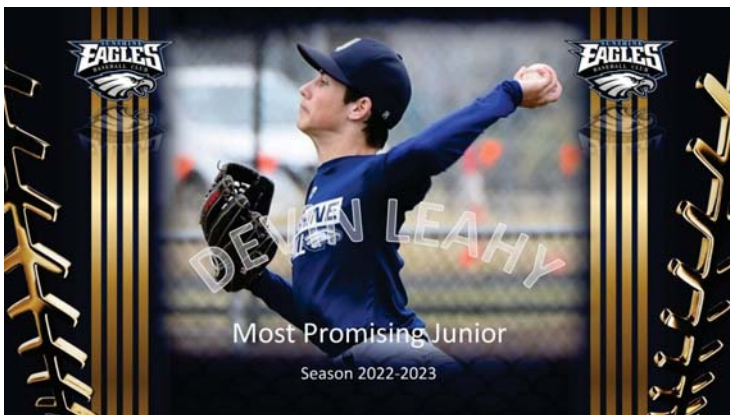

Final Wrap

Regardless of the new junior structure and disruptive weather events, our junior players took every opportunity to play when it was presented, many at senior baseball for the first time too. To this effect more experience was gained and can be put into game situations for upcoming seasons.

All going well Season 2023/2024 will be a normal season and we will get a normal amount of games played. The Club will be planning for this across winter and is looking forward to those who want to continue their involvement at junior level and those who want to take up a junior role for the first time. Have a go, this is all about our kids playing our wonderful sport.

Lastly, my thanks to my family who helped make taking on the Junior Coordinator role just that little bit more manageable for Season 2022/2023.

Go Eagles!

Sunshine Baseball Club Most Promising Junior Award

The Most Promising Junior Award for season for season 2022/2023 is Devin Leahy. Devin was presented an opportunity to play in the 1st side this season and took his opportunity with many fine performances. In addition, Devin made the U16 Baseball Victoria State side this season and had a quality tournament.

Well done to Devin.

EAGLES JUNIOR REP PLAYERS

To say that we are proud of our junior reps that advanced from the State Championships to the National Championships, is an understatement. Our representation at the recent tournaments in Blacktown in Sydney was simply outstanding!

Congratulations to you all on your respective tournaments, no doubt you all enjoyed the experience of playing at such a high level and in doing so, you have made yourselves better baseballers.

The experience will not only serve to foster your love of the game, but will also translate into more success on field for the Eagles.

U18s State Team Coach: Mr. Marc McKenner

UNDER 18S STATE TEAM REPORT

After a successful U16 State League season last season myself, Todd Grego and Andrew Leahy pushed to have our successful group stay together and compete at the U18 State League level. This included only 3 players that should be U18, and the rest being U16, but we believed if we could consistently use 2 of our available pitchers every week, we would be very competitive again. Unfortunately, due to unplayable grounds, poor weather, injuries and unavailability's we were only able to put our best team on the field once or twice for the season. Our lack of continuity of play and Senior requirements were large burdens for our team, but you only needed to come to some senior games to see the success the club is having with this group's development, with 4 of our players getting regular playing time in the Firsts. This is a huge indicator of how well the Junior side of the Club is going, our numbers are growing and our ability to develop competitive players is growing.

Todd Grego, Andrew Leahy and I, were lucky enough to guide the State League team again this season, I believe our coaching staff instilled a great passion for the game, a will to compete the right way and helped build an elite knowledge for the game, that will see our players go on to play at a very high level.

This season the State League team saw 3 players make the U16 Victorian Team – Devin Leahy, Nathan Rumbelow and Hudson Pallay, 2 players play for the Adelaide Giants in a Futures game – Patariki Pouaka-Grego and Jai Pouaka-Grego, 1 player make the Twins Charter Senior League Team – Jesse Hando and 1 player make the Youth Women's Victorian Team – Lily McKenner.

I would like to thank all the parents for their commitment to this season driving your kids all over the state at 7am on a Sunday morning is a tough ask!! Thanks to our Scorer Andrea McKenner and to Nic Pouaka for filling in when Andrea was unavailable. Lastly a huge thanks to my right-hand men Todd Grego and Andrew Leahy, coaching with you two again was so enjoyable and I believe as a group we made a positive impact on every one of the players we had. I have enjoyed being with this group for many years, some from U12's, but I will be moving back to the U12's next year and hoping to create similar success as the club saw with this group, I wish every player I coached the best and I hope that in someway I have had a positive impact on their baseball careers.

To the award winners' congratulations on outstanding individual seasons.

Again, to everyone of the group that start together in U12's 8 years ago and to the players that have joined this group over the years – Thank you! You have given me great joy, although I was sometimes grumpy! I leave this group with great memories and the knowledge that everyone who has passed through this group I gave my all to, and endeavored to help make them become the best player and person they could.

It's been a pleasure! Regards Marc McKenner

UNDER 18S METRO TEAM REPORT

Based on player numbers at the start of the season The Club made the decision to field two U18 sides this season. The U18 Metro side consisted of first year U16 players up to first year U18 players, several whom were in their first season of summer baseball.

Training sessions were all well attended, and the kids were challenged and worked hard every session. We worked on the basic physical skills of the game, and we also got more exposure to advanced plays that are part of every game at this level and as the next age groups. Due to the varied physical difference of players and baseball game knowledge the development of each player was the focus over the season.

This did test the side for the season as baseball skills and knowledge were at differing levels and this showed at times over the season. To the players credit they stuck with it for every game over the season and kept competitive for each play and time at bat each game. In particular the team spirit over the season was first rate with the players always fun to be around.

My thanks to – Mick Warwick – I thoroughly enjoyed working with Mick again this season. Getting player drills in each training and game day tasks ran very smoothly and was always appreciated,

Pamela Warwick – Always had a smile and is great to work with on her attitude and sense of fair go for our team,

Once again, my thanks to our fantastic parents who made sure the players got to training and games and always had a smile no matter the outcome. This effort is always appreciated and never taken for granted. We simply cannot field teams without their contribution.

Another jump up in division for a lot of these boys ahead of their age requirements (most still eligible for intermediate).

But they will have gained valuable experience, that will show next season. A tough year with not many wins. But were able to match the top teams for the most part, just seemed to have one bad innings that let it slip away.

Was hard to get all the Kids to training, the ones that turned up consistently every week were the ones that progressed the most through the season. Made it difficult to work on defensive positioning, but we did get some good sessions on this toward the end of the season. Massive thanks to Gail Featonby for helping.

We worked through a few different variations of fielding drills, so it wasn't always the same. To get them moving to field the ball, not being a statue. Introducing ways to help read the ball path. My major focus for the season was at the batters box. Being selective, not being afraid to take a strike that isn't in 'their' hitting zone. Making the pitcher back it up. Have confidence that it will come.

Along with this reinforcing that when your mates are on base and you're in the box, it's your job to hit the ball to score the run/s. They did this exceptionally well through the season. 80% of their games if you only counted earned runs they would probably win.

The boys should be well positioned for a tilt at finals next season. The club had a decent handful make rep sides.

So we have some talent, just need to keep them progressing. Only main

After several years of coaching both LL Minor and Major teams, this was my first as a U14 coach. I was joined by John Campbell who has also coached in the past as both a head coach and as an assistant coach in the Summer and Winter Seasons. We started the year out with 9 kids with a 10th sign up in week 4. 7 out of the 10 had come up from LL and 1 of the 10 was new to the sport. Needless to say, this was a season of growth and learning. We spent the first 5 weeks going over the 'basics' of baseball as this would be the first time, they each kid would have played without modified rules.

Exposure to stealing, leads, dropped 3rd and pick offs to name a few of the new exposure skills. The kids really soaked up the learning this year. Out of all the teams that I have coached over the years, this was the most engaged. They were eager to apply what they had learned each week in the next game. By the end of the season, we were stealing bases and picking off runners with ease!

2 of the kids out of this team went on to play for the Twins U14's at the State Summer Competition to represent Sunshine. They had come a long way.

Once again, we are so fortunate to have such an active group of parents in our club. I would easily have 2 or 3 volunteers at each practice to help with station work. This enabled us to have 3 or 4 stations going at a time to work on many skills sets at each practice. On top of field work and pitching, our goal was to have each kid swing the bat a minimum of 50 times. I think we achieved that at most practices.

Unfortunately, the season only resulted in a few wins on the books. It was a season of growth and learning. Many of these kids will move up to the State U14 level next season and are ready to do so. I wish them all the best and I will enjoy watching them continue to grow and develop in the coming years.

Your Sincerely,
Phillip Harris Coach

This season was the first time that many of our players had played at state league level and the transition from Little League Minor on Friday nights to Sunday was a significant step up and challenge for our team. Most of our team were in the bottom age of the age group so most weeks we found ourselves playing against slightly older and more experienced players. However, despite this our kids worked hard each week and gave their best and over the season we saw significant development in our players.

Adam and I were extremely proud of the resilience that our kids demonstrated and their never say die attitude. Although it was a long and at times difficult season, we are already seeing the benefits of the season with most of the team returning for winter and many being involved with rep teams. Overall, it was a great season, and we are thankful for all the support that we received from Gavin, the club, parents and most of all the kids. Go Eagles!

Kind regards
Jacob Holley

U12 Metro A – Eagles - 2022/2023 Summer Season – Justin Revels

I took on the U12 Metro A team whilst at Sunshine Baseball Club this season. Most of the side I coached had some existing baseball experience and I also had some new players for the season.

This mix of experience helped with training and games over the season allowing me to focus on skills at training and during game time.

I am pleased that our players continued to develop over the season with some very competitive games played every Friday night. I also had a lot of fun with some good lessons learned along the way.

Thank you to all parents and volunteers who helped make sure our players got to training and the games each week, and for also assisting during game time.

U12 Metro B – Hawks - 2022/2023 Summer Season – Gavin Fischer

Sunshine Baseball Club chose to field what would have been our Rookie / T-Ball cohort for this season in a junior baseball competition, being the U12 Metro competition on a Friday evening.

Many of the young Eagles in this side have been part of the Rookie / T-Ball program over 2-3 seasons and as a result The Club made the decision to try these players at U12 Metro baseball. Considering the very wet weather this season we did get most of our games in with players trying all positions over the course of the season.

From my observations, and those of opposition coaches, I believe we improved over the season overall and I think it will be a challenge to keep these players at Rookie / T-Ball next season.

Indeed, we won our last game of the season with all the hitting and fielding skills being executed with quality and lots of smiles at the end of the game.

Thank you to all parents who make sure their Young Eagles got to training and games, and to all parent helpers throughout the season too. This contribution is always appreciated and valuable in making sure the focus is on player development and game enjoyment every week.

2022 JUNIORS WINTER BASEBALL

The winter baseball season of 2022 saw Sunshine Baseball Club field 4 junior teams, which was just outstanding, considering the challenges of junior sport participation as a whole for the times. Not only did we manage to field our 4 juniors teams, for the first time in many years, Sunshine Baseball Club fielded a Tee Ball team and we were the only club in the City West Junior Baseball League to do so.

Rafael Tsotalas took charge of these young Eagles and he did an outstanding job of keeping the kids engaged throughout the season with some amazing sessions involving many props and just some good old fashioned fun. John, Phil, Jacob and Adam did an outstanding job taking charge of the U13s juniors last winter season and with Greg and Tim in charge of the U15s, they were destined for a great season and learned so much along the way. Glenn, Jack, Mick and Glenn J, took care of the U17s team last season and what a pleasure it was too.

Sunshine Baseball Club is so lucky to have such a wonderful player group on all levels who so well supported by their wonderful parents who take the to trainings each week, as well as rocking up on game days each week. In addition, we have parents supporting the teams each week in the way of either scoring, assisting the coach, packing after the game, helping to make coffees, or just on the sidelines cheering their kids and the teams on, which is the most rewarding part.

2023 Winter Baseball Report: Mr. Glenn Letts

2023 WINTER BASEBALL

The full report on the 2023 winter baseball season will be published in next years AGM report, but in the interim, we can report that Sunshine Baseball Club is fielding 3 junior teams this winter season, U13s / U15s / U17s, as well as a senior team. The junior tam numbers are very high and compared to other clubs in our junior league, we are once again fielding the most juniors in winter. This is a credit to the coaches, parents and players of course who have committed to continue on with their baseball over the winter months.

In addition to the regular baseball season, Sunshine Baseball Club is also very pleased to have so many juniors playing representative baseball this 2023 winter season: U12s, 7 players / U14s 3 players / U16s 4 players / U18s 5 players. That is a total of 19 players which is just outstanding. In addition to our winter juniors, Sunshine Baseball Club is once again fielding a winter senior team. The team is a combination of junior dads, as well as some U17s players and they are enjoying quite a good season and making the most of developing and enjoying their baseball.

SUNSHINE BASEBALL CLUB HALL OF FAME MEMBERS

The Sunshine Baseball Club's Hall of Fame recognises and highlights an individual's achievements and contributions and place him/her in an elite class. This list includes only the highest calibre individuals who have attained excellence in their contribution to the Club over many years. Halls of Fame generally recognize outstanding participants in their particular field or long term administrators, however consideration has been given to a range of criteria, and each nominee's regime will reflect diverse contributions to our club. They did not have to qualify in each criteria.

The selection criteria for the Hall of Fame was the following 10 years as a senior player / 5 years in 1sts or 10 years in lower grades / Club awards - Best Player, Best Clubman / Coaching contribution: Seniors, Juniors / State and Australian Team selection. State and Australian Team awards e.g. MVP, Coach, Assistant Coach, Helms Award etc / 1st Division Premierships / 10 years on Baseball or Management Committees/Positions held on Committee e.g. President, Secretary, Treasurer etc / Financial contribution. Where an individual's achievements as a player is a deciding factor, the level of competition e.g. 1st, 2nd or 3rd Division must be considered. This applies to Premierships and Awards.

Significant Changes

No significant changes in the association during the year

Operating Result

The loss for the financial year amounted to \$34,946, however this included depreciation reconciliation expense items amounting to \$10,554.

Going Concern

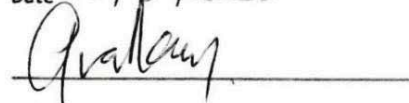

This financial report has been prepared on a going concern basis which contemplates continuity of normal business activities and the realisation of assets and settlement of liabilities in the ordinary course of business. The ability of the association to continue to operate as a going concern is dependent upon the ability of the association to generate sufficient cashflows from operations to meet its liabilities. The members of the association believe that the going concern assumption is appropriate.

Notes to the Financial Statements

Sunshine Baseball Club Inc

For the year ended 31 March 2023

1. Summary of Significant Accounting Policies

The financial statements are special purpose financial statements prepared in order to satisfy the financial reporting requirements of the Associations Incorporation Act [Vic]. The committee has determined that the association is not a reporting entity.

The financial statements have been prepared on an accruals basis and are based on historic costs and do not take into account changing money values or, except where stated specifically, current valuations of non-current assets.

The following significant accounting policies, which are consistent with the previous period unless stated otherwise, have been adopted in the preparation of these financial statements.

Property, Plant and Equipment (PPE)

Leasehold improvements and office equipment are carried at cost less, where applicable, any accumulated depreciation.

The depreciable amount of all PPE is depreciated over the useful lives of the assets to the association commencing from the time the asset is held ready for use.

Leasehold improvements are amortised over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

Impairment of Assets

At the end of each reporting period, the committee reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, an impairment test is carried out on the asset by comparing the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, to the asset's carrying amount. Any excess of the asset's carrying amount over its recoverable amount is recognised in the income and expenditure statement.

Cash on Hand

Cash on hand includes cash on hand, deposits held at call with banks, and other short-term highly liquid investments with original maturities of three months or less.

Accounts Receivable and Other Debtors

Accounts receivable and other debtors include amounts due from members as well as amounts receivable from donors. Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

Revenue and Other Income

Revenue is measured at the fair value of the consideration received or receivable after taking into account any trade discounts and volume rebates allowed. For this purpose, deferred consideration is not discounted to present values when recognising revenue.

These notes should be read in conjunction with the attached compilation report.

Interest revenue is recognised using the effective interest method, which for floating rate financial assets is the rate inherent in the instrument. Dividend revenue is recognised when the right to receive a dividend has been established.

Grant and donation income is recognised when the entity obtains control over the funds, which is generally at the time of receipt.

If conditions are attached to the grant that must be satisfied before the association is eligible to receive the contribution, recognition of the grant as revenue will be deferred until those conditions are satisfied.

All revenue is stated net of the amount of goods and services tax.

Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO). Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the assets and liabilities statement.

Financial Assets

Investments in financial assets are initially recognised at cost, which includes transaction costs, and are subsequently measured at fair value, which is equivalent to their market bid price at the end of the reporting period. Movements in fair value are recognised through an equity reserve.

Accounts Payable and Other Payables

Accounts payable and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the association during the reporting period that remain unpaid. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.

Report on the Audit of the Financial Report

Opinion

I have audited the accompanying financial report, being a special purpose financial report, of SUNSHINE BASEBALL CLUB INC (the association), which comprises the balance sheet as at 31 March 2023, and the income and expenditure statement for the year then ended, and notes to the financial statements including a summary of significant accounting policies and other explanatory information, and the statement by members of the committee.

In my opinion, the accompanying financial report of the association for the year ended 31 March 2023 is prepared, in all material respects, in accordance with the associations Incorporation Act (ACT) 1991.

Basis for Opinion

I conducted my audit in accordance with Australian Auditing Standards. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of my report. I am independent of the association in accordance with the auditor independence requirements of the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the code) that are relevant to my audit of the financial report in Australia. I have also fulfilled my other ethical responsibilities in accordance with the code.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter- Basis of Accounting

I draw attention to note 1 to the financial report, which describes the basis of accounting. The financial report is prepared to assist the association in meeting its requirements under the Associations Incorporation Reform Act 2012 and the Australian Auditing Standards. As a result, the financial report may not be suitable for another purpose. My report is intended solely for the association and should not be distributed to or used by parties other than the association. My opinion is not modified in respect to this matter.

Responsibilities of Management and those Charged with Governance

Management is responsible for the preparation and fair presentation of the financial report in accordance with the associations Incorporation Act (ACT) 1991 and for such internal control as management determines is necessary to enable the preparation of the financial report is free from material misstatement, whether due to fraud or error.

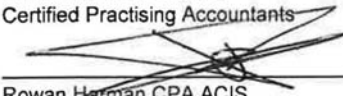

In preparing the financial report, management is responsible for assessing the association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the association or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the association's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Report

My objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

CLUB SONG

No matter where you go
You'll always hear of Sunshine
The team that's always out to win

A better bunch of fellas
You won't find in a lifetime
They always come out with a grin

We've had our adverse times
As well as good and we can take it
Like all good sports should

So when you hear this song
You know it won't be long
Till were right up on the top again

Two, four, six, eight
Who do we appreciate
S U N S H I N E
SUNSHINE !
