

HAPPY NEW YEAR TO YOU ALL:-)

Jan 4th 2024

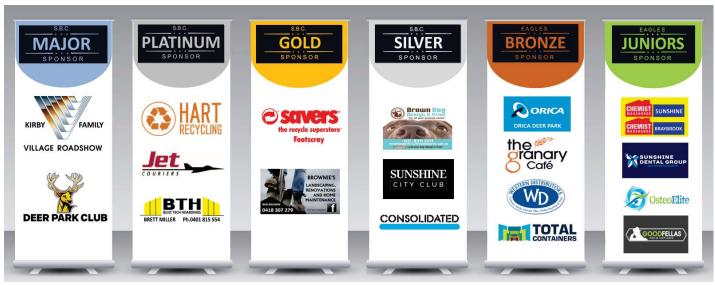

Dear Members, Families and Friends, welcome to volume 12 of the Eagles News for the 2023-2024 summer season.

We trust that you all have had a nice break, or if you are lucky enough, still enjoying your time off over the festive season. It would be nicer to have some warmer weather come our way, but when you think about the other issues going on interstate with the floods and fires, we can be thankful that we can just go about our ways. Our summer baseball season is set to resume with our Firsts team having a mid-week game on Jan 16th and other senior teams on the weekend of Jan 20th. The juniors will also start back on the weekend of the 20th, so we will be looking forward to reporting on our clubs continued success.

As the full fixture for the Firsts team will be released over the next week, we will then be in a position to finalise some of our pending events such as, Past Players Day, Ladies Day, Sponsors Round, Village First Pitch and our 500 Club event round. We have already locked in dates for presentation nights, as well as Bare Foot Bowls, so stay tuned and lets have a great 2024.

Talking about 2024, we are also advertising for expressions of interest for WINTER BASEBALL PLAYERS, please see page 8 of this Newsletter.

A huge thank you to all of our wonderful & loyal sponsors for their kind support.

U18s VIC TEAM

DEVIN LEAHY HEADS OF TO NSW FOR THE U18S STATE CARNIVAL

Congratulations once again to Devin Leahy on his selection for the Victorian U18s State Team.

The team has been in training for the last 2 months and will be heading off shortly to Sydney for the State 2024 championships.

To make the state team at this level is quite an achievement and one that doesn't come easy. It takes lots of hard work, dedication, and commitment and that is what Devin is known for!

Well done, Devin, all the best for the tournament, and we look forward to your continued success on the baseball field.

NOTICE BOARD

Slowly, but surely we are edging closer to the foundations to be laid for what will be the biggest off field development for Sunshine Baseball Club since our move to Barclay Reserve back in 1966. The surveying has been done and the pegs have been set up in order for the excavation and formwork to be erected and then we will be ready for the all important slab and surrounding concrete works. The support that we have been receiving to date for this project is outstanding, we thank you all look forward to providing you with more updates as they come to hand.
