Eagles News - Vol 16

Dear Members, Families and Friends, welcome to volume 16 of the Eagles News for the 2023-2024 summer season.

Last weeks games for the Eagles were certainly pleasing, with the majority of teams showing that Eagles spirit and will to win. The Firsts had a tough game in sweltering conditions at Boeing Reserve, but even with a heat delay, the Eagles stepped up and showed just how much they wanted the win. It was a gutsy performance, as they downed the Bombers on their own turf, but unfortunately, they couldn't back it up in the mid-week game. The Seconds won their game against the Bombers, and they are now officially on a roll winning their last 3 games after the xmas break. Keep the momentum going guys, it is just great to see your successes each week. The Thirds were under all sort of pressure in the heat and had to retire before time unfortunately and the Fourths were also up against the odds in the hot conditions, but did the best they could considering the circumstances. The Women's team had one of their best game of the season and coach Phil Harris was certainly pumped. He sent in a match report that we have included on page 6 of this newsletter. The Masters White team were up against a stronger opponent being Newport who are one of the top teams, but still the guys keep working hard and doing their best for the Eagles.

In the juniors, the U18s had a ok game and earned themselves 5 runs for their efforts, but not enough earn the points this time. The U16s had a thrilling game and coach John Campbell also did a report that we have included on page 6 of this newsletter, well done team. The U14s continue to be a force in the U14s Metro ranks, which is a credit to the training and good coaching, well done, keep up the good work. The U12s State team had a ripper as well, with hits a plenty and a home run from young Augie Holley. Great too see this team develop and to continue on with some fine form this season. The U12s Friday night team had a ball on Friday night, as they finally got to play on their home field. Well done to all involved who helped out on the night.

A huge thank you to all of our wonderful & loyal sponsors for their kind support.

BELLES U12S GIRLS BASEBALL PROGRAM

Isabella McKenner has been selected to represent the Belles at the first-ever Australian All-Girls Little League Championships and Ainslie Harris has been listed as an emergency player. This representation is just fantastic and we just love to see girls from our club have the opportunity to play alongside other like minded and skilled girls at this level. The national tournament will take place from 13-17 May in Geelong. We wish both girls all the best in the lead up to the tournament and Sunshine Baseball Club could not be prouder of you both.

MOTHER AND SON COMBO QUACH FAMILY Fourth vs Essendon.

At Sunshine Baseball Club, we love to see parents play a game of baseball with their children, and over the years, we have had quite a few which is just fantastic and something that the parents in particular cherish.

On Sunday, the Fourth's were privy to that with both Baili and Ana Quach taking to the field to play ball for the first time. The Quach family have been heavily involved with Sunshine Baseball Club over the years, with just about all family members playing baseball at one time or another.

Well done Baili and Ana, let's hope that you have the opportunity to play together again soon and to keep that fine Quach family tradition going.

NOTICE BOARD

EAGLES HOME RUN CLUB JOSHUA BYRNE

Premier League Firsts / Sunshine vs Essendon - Round 5

Once again this season, Josh has sent one flying over the fence for the Eagles in a thrilling game today. From all reports, today's game could have gone either way, as both teams battled away in stifling heat at Boeing Reserve. For Josh, to be able to have the composure and to steer one over the fence during a crucial time of the game, was nothing short of outstanding. Well done Josh, it's just great to see you continue on with your fine form in the batters box for the Eagles.

All the best for the remaining games this season and we hope to be hearing from you again before long!

EAGLES HOME RUN CLUB AUGUSTUS HOLLEY

U12s State West vs Research - Round 13

It was just a matter of time before Augie put one of the cones for the Eagles and today was the day. From all accounts, it was a ripping hit that sent the ball on its way and then Augie had the delight of rounding the base to touch down at home, and to be greeted by the excitement of his teammates. Oh what a felling, well done Augie, may there be many more milestones in your young baseball career.

All the best for the remainder of the season and keep up the good work 😊

NOTICE BOARD

EAGLES HOME RUN CLUB - JAMIE YOUNG

Sunshine vs Essendon - Round 6

Jamie backed up his home run from Sunday, by smashing a 2 run homer in last night's mid-week game. The hit was just what the Eagles needed to level the score and it gave them the best opportunity to take the upper hand, but in the end, it wasn't to be for the Eagles.

Congrats for once again making your mark in the Eagles HRC Jamie, you certainly do it in style.

SUDSY AWARD Round 06

Connor Hughes

Firsts: Sunshine vs Essendon

After his fine performance on the hill for the Eagles on Sunday, Connor backed it up last night in the mid week game and was duly awarded the Sudsy award for his efforts.

Well done Connor, keep up the good work and all the best for the remainder of the season.

COACH REPORTS

MATCH REPORT FROM HEAD COACH OF THE U16s METRO TEAM ~ JOHN CAMPBELL

Summary : 5 Losses , 1 Forfeit (Win)

Common story: Each game for the last 5 games played, we have either have been ahead, tied or in a good position to be able to take the win. Going Toe to Toe with the best teams. Unfortunately, we consistently have let one poor inning or a couple of errors derail us to let the games slip away. But that's all in the past now!

NOT TODAY THEY SAID! WINNER, WINNER!

Game Report : Round 13 - Eagles U16 Metro West vs Werribee

We played a great FULL game today for the full 2hrs. And guess what happened. Exactly what some crazy coach has been harping on about all season. You will finish with a WIN or in the worst case. Your head held high knowing you gave it 100%.

Notable Plays:

- Harley was a force back there and fought the extreme heat to provide excellent catching the entire game.
- Travis smashed 2 doubles with 4 RBI's for his team as well as a great dig on the mound in the 2nd and 3rd innings.
- Hugo and Morgan were ground ball machines who worked together excellently today getting 3 outs a first.
- Harry hit a great RBI hit to center field and was instrumental at first base for some crucial outs.

Abby almost grabbed a big flyball and helped massively by working hard in the outfield to quickly fielding a couple of big hits today and was like lightning stealing the bases but what makes me happiest. She is our loudest voice on the bench pumping up her team mates. Keep it up Abby!.

The rest of the team all played very well and did their jobs to get a well deserved WIN. Let's keep up that belief and put 100% effort in for the last 4 games to finish the season strong!

A Big THANK YOU to Pru Chamberlain (Scoring), Daniel Mudford (Assisting), Stuart Clayton for calling it fair and taking his valuable time to umpire for us. And as always, The parents for getting their sleepy teens there and supporting us.

WOMENS TEAM vs ESENDON

By Coach: Phil Harris

Cracking women's game today against Essendon. Last time we played them in round 1, they beat us 23 to 4. Today, we beat them 12-11. It was 19-11 but it reverted back. Great plays with Danielle playing first getting 3 outs unassisted. Ana threw only 59 pitches today and only 5 pitches in the 3rd with 3 up 3 down in 3 minutes. In that inning there was a caught fly by Ana and then thrown to Danielle at 1st for a double play on the tag up. Anyway, I absolutely can't believe how far we have come. Every single player hit today with bat on ball. Every single one :-)

OUR LADIES

Acknowledging Ladies who have made a significant contribution to Sunshine Baseball Club.

Dear Member,

It takes many people to make a great club like Sunshine Baseball Club.

Luckily, we've been fortunate to have some outstanding volunteers over the years helping out in all sorts of areas.

One group who at times haven't received the special recognition they deserve are **Ladies**. Often working tirelessly in the background the Club wouldn't be what it is today without their outstanding support.

Sunshine Baseball Club would like to **formally acknowledge and publicly recognise all volunteer Ladies who have made a significant contribution** since the Club came into being.

We have already started to put a list of names together but as you can imagine with the Club celebrating its 85th year we have probably missed a few people particularly from years gone by.

That's where we need your help. If you can think of any deserving Lady, past or present, we'd appreciate it if you could send their name, and if possible a brief description of their contribution, to SunshineBaseballClub@gmail.com

Please RSVP by Feb 21st 2024.

More information will be provided in due course on how we'll publicly acknowledge these amazing Ladies.
