Sunshine Baseball Club Registration Information ~ Winter 2024

To all new players, parents, and existing SBC members, we welcome you to Sunshine Baseball Club and look forward to you, or your child's involvement in the wonderful sport of baseball for this winter 2024 season. We have some information regarding registering to play in the winter season and please note that players cannot play any games before they are fully registered and have paid the relative fees. Thank you for your co-operation and please see further details below.

Regarding the player fees, (just as there was in the summer season), the winter season has also incurred increases from Baseball Victoria and these increases are out of our hands unfortunately. The only thing we can control is the SBC club component of the fees. We have decided to absorb our own increased operating costs and to not increase our club component fee to help keep it affordable for our players and members to participate.

If you are interested, please see the below link from Baseball Victoria justifying the increase in player fees.

FOR EXISTING SUMMER PLAYERS

When you go to register, use the same email address as you have during the summer season. This will ensure that you are not charged for Baseball Australia (BA) Fees again (these fees were already paid for the year during your summer season).

For both groups:

Please follow the prompts and finalise your registration payment. Depending on your child's date of birth, the fee shown in the portal may differ from what we have published here. This is due the BA (Baseball Australia) having different cut off birth dates from BV (Baseball Victoria)

Go to our website to register: <http://www.sunshinebaseball.com.au/registration/>

Volunteers, please note, you can register as a **VOLUNTEER** with our club (there is no cost involved).
