EAGLES HERITAGE ROUND SUCCESS

Dear Members, families and friends, welcome to volume 13 of the Eagles News.

The weekend just passed saw our 2 senior teams take to the field for our Heritage round. The Firsts team were wearing the newly designed Heritage uniform and they certainly looked wonderful. We had some juniors players also take part in the pre-game warm ups, so it was a fantastic time for all involved. A huge thanks to everyone involved in making it a very memorable day and to Allister Lovelock, for his work in designing the new uniforms and for the many hours he contributed.

With the resumption of the season after the break, our Firsts and Seconds teams took to the fields and our first 9 in particular got off to a great start winning the weekend game against Moorabbin, but the seconds were not as fortunate and succumbing to the opposition. The Firsts stepped up again in the mid week game and had a solid win against Werribee, and over the past weekend in the Heritage round, they played a solid game defeating Melbourne 4 nil. Last night the Firsts toppled the ladder leaders Waverly with a fine display of baseball. Billy Parsons pitched a blinder, as well as 2 home runs from Darryl George and 1 from Adrian Fittock. The Seconds were unable to have an impact in their game and will be looking to regroup for this weekends game. The Thirds and Fourths have been back into the action as well, with the 3rds team having a great game in round 12 with an excellent win and the Fourths had a washout. Their most recent games on the weekend didn't go their way, but the next opportunity is just a few days away. The Women's team didn't get to play last week, as the opposing team forfeited giving the Eagles the points. With the long weekend coming up next week, the only games to be played will be the Firsts and Seconds teams. The weekend following sees everyone once again take to the fields, including our juniors, so we really look forward to that. **GO EAGLES !!**

A huge thank you to all of our wonderful & loyal sponsors for their kind support.

Sunshine Baseball Club Container Deposit Scheme West

Our first 12 months of running the Container Deposit Scheme (West) at Sunshine Baseball Club has seen contributions totalling over \$800 bought into the club which has seen a new home plate tarp for our club and inroads into the new line marking machine.

We have updated the collection name and target for 2025.

*When on your CDS West app update your default payment to charity '**Sunshine Baseball Club CDS West donations**'*

Our new target is \$1000 and we are already 10% of the way to target less than a month in.

Thanks for your support.

Sunshine Baseball Club - January 2025 update on Indoor Training Facility

Welcome to 2025!

Progress on the Indoor Training Facility (ITF) has been a little slower than anticipated over the past 6 weeks as a very busy baseball season, seasonal events, and mid-season break has kept the ITF sub-committee and baseball club occupied. Regardless, progress has continued. This has been: Installation of personal access door (external) ramps as required by the building code, Installation of fire extinguishers, Removal of all surplus dirt and rubble in the carpark, and Removal of all surplus temporary fencing supplied by Brimbank Council.

The Club has engaged the building surveyor to confirm tasks remaining in order to secure a Certificate of Occupancy and we will provide an update in early February on progress.

In the meantime there is still plenty of work to do for the ITF sub-committee and our members. We will be holding a working bee (from 9am) this Sunday (Jan 26th) and welcome your assistance for a few hours.

Also, donations through our ITF portal are always welcome as they allow additional capacity for ITF internal fit out works.

If you are unsure on how you can help please contact Gavin Fischer.

Regards,
Sunshine Baseball Club ITF sub-committee

ITF FUNDRAISER

Hi Sunshine Baseball Club members,
 Back around September 2022 we started the journey of getting our new Indoor Training Facility (ITF) and Bullpen built.
 We have achieved significant progress over this time with the ITF at lock up and completion works such as storm water, internal wiring and lighting installed and we are in the process of prioritizing and coordinating the remaining works to be completed.

As with everything material and labour prices have gone up and this has added to the ITF cost. We are seeking to raise some additional funds to help to get our new ITF over the line and our gap to final project close out is just over \$20,000. (our new target total is \$95,000)

We are very grateful to all sponsors and donors who have helped get the ITF to its current stage to date and look forward to raising some additional funds to help us close out this much needed and game changing project for Sunshine Baseball club.
