EAGLES DIGGING DEEP

Dear Members, families and friends, welcome to volume 15 of the Eagles News.

Our Eagles Firsts team are certainly taking this season by the scruff of the neck and are digging in deep when the task is set upon them. They were trailing Geelong in their game on the weekend and then with some clutch hitting, good defense and teamwork, the Eagles clawed their way back to notched up a solid win. Well done guys, only good teams can come from behind and you certainly showed that Eagles spirit. The Midweek game last night against Williamstown went our way as well, with some very competitive baseball being played. The Seconds scored 1 run to 6 in their match up with Geelong, not the desired result of course, but at the same time, the game didn't blow out and our guys played a reasonable game. It looks like the thirds didn't get a game in due to the heat, whereas the Fourths played in the earlier game and had a 3-6 result, going Williamstown's way. The Women's team were back in action and what a game they had ending up a nice win against Geelong 14-9. Well done ladies, that was a crucial game and you did very well indeed. The Masters team managed to get a game in on Monday night playing in very humid conditions. It was a low scoring game which tends to show good competition on both sides, our Eagles were 2 runs and Fitzroy were 5. With a couple of games to go for the majority of teams, all the best to you all.

The Juniors were finally back on the fields and what a weekend of hot weather they were up against. It was hard enough trying to sleep at night, let alone wake up early for baseball, but to the credit of all involved, most games were played in full, just the exception of LL Major, who were heated off once the mercury hit 35.C. The SL90 team had a very close game, going down by 1 run in the end, 5-6, the SL80 team had a welcome return with a 5-2 result going their way and the Little league Minor lost a close one 3-4 against Footscray. Good luck to all juniors for this weeks game, you are all doing your club very proud and we look forward to some more action from you all.

A huge thank you to all of our wonderful & loyal sponsors for their kind support.

New Scoreboard Review

At the 2024 Annual General Meeting an action was raised to report back on the feasibility of a new scoreboard for Sunshine Baseball Club.

Out of this action the committee has investigated numerous scoreboard options for The Club. This has included engaging multiple scoreboard manufacturers and investigating scoreboards installed at other clubs, both existing and new.

Scoreboard technology investigated for Sunshine Baseball Club includes –

7 segment type displays that show basic information in electronic form, like the manual version currently in use at The Club,

Hybrid 7 segment display and LED video wall display, and

Full LED video wall display.

Cost options range from circa \$5,500 to scoreboards that exceed \$100,000.

A list of these options will be posted on the club notice board for perusal by members.

The committee has recorded this information and added to the list of projects it intends to progress as priorities and funds allow.

After careful consideration, it has been determined that the completion of the new Indoor Training Facility is the primary focus club’s effort and funds from an infrastructure perspective.

Other projects such as the development of the Norm MacArthur Field to accommodate a full-size playing field will be critical to Sunshine Baseball Club over the next 3-5 years in line with Baseball Victoria and Brimbank Council growth of baseball and community. These are priorities for the development of all players and offer significant benefits in the long term for our club.

Of course, the committee, and club, will investigate how a new scoreboard can assist and/or compliment current priorities as part of its long-term development.

For questions please contact Glenn Josen.

ITF FUNDRAISER

Hi Sunshine Baseball Club members,
 Back around September 2022 we started the journey of getting our new Indoor Training Facility (ITF) and Bullpen built.
 We have achieved significant progress over this time with the ITF at lock up and completion works such as storm water, internal wiring and lighting installed and we are in the process of prioritizing and coordinating the remaining works to be completed.

As with everything material and labour prices have gone up and this has added to the ITF cost. We are seeking to raise some additional funds to help to get our new ITF over the line and our gap to final project close out is just over \$20,000. (our new target total is \$95,000)

We are very grateful to all sponsors and donors who have helped get the ITF to its current stage to date and look forward to raising some additional funds to help us close out this much needed and game changing project for Sunshine Baseball club.

Regards, Sunshine Baseball Club ITF Sub-Committee.
